MORE INFORMATION

Paul Hardin's Everglades News believes that what will interest those who are trying to get into the business of selling news to the world, is news about business. Associated Press stories tell of Glades growth, receiving \$12,000,000 for this year's products. With this news, the Everglades should be successful with all kinds of news. Sightings, salesmen of every description, and even "green stuff" might result from such news. Of course to the majority of people living out of the state of Florida, the Everglades is a new country. All the alligators, the paths of the villages, monkeys swing in the branches of trees of an intense jungle, and the people living within them are of the most savage variety. It is up to the editor to keep the public informed, assuming that so much money could be obtained from such an area. And jungle or no jungle, they're right—it would be amateur, particularly to the growers themselves. Yes, Mr. Hardin, it's all "green stuff." Sunshine Wind.

DICK POWELL AT PRINCE SUNDAY

There's a difference of opinion among movie houses about the girls they kiss on the screen. Some say they want to know their cinema sweetheart before they make love to her—others say, it's not necessary.

Dick Powell didn't know his leading lady, Doris Weston, until he met her on the set of "The Singing Marine," which Warner Brothers present next Sunday, and Milder made the same mistake. But he doesn't mind too much to get acquainted when he discovered that he was required to kiss her in their very first scene together.

"I don't believe in having my leading lady to kiss her," Powell says. "As an actor I can be impersonal about it and throw myself into my work." It wasn't at all difficult to kiss Miss Weston, realistically, of course, after I met her on the set."

BEST. Rathbone, on the other hand, is a firm believer in knowing his vis-a-vis. Jane Bryan is the girl he has to kiss in "Conqueror of the Castle," which Fox Pictures present next Sunday. Rathbone has been married half dozen times and chatted with Miss Bryan on the set for long periods in order to become acquainted with her before he kisses her.

"If my opinion that an actor can put more feeling into a kiss if he knows his romantic lead pretty well," says Rathbone. "It's especially true of 'villains,' he adds. "The villains have to be subtle. They must seem to take advantage and it seems to be a fact of life that it is easier to take advantage of a friend than an enemy."

"Of course," Rathbone continues, "there is still nothing personal in the screen kiss. It's a job of acting and, as such, naturally must appear to be true to life. But it doesn't have to be to life."

While dusting for H. H. Wedgworth Wednesday morning, Earl Imes plane caught fire. Fortunately there was no serious damage.

Glades to Have One Man on U. of Fla. Boxing Team

Ed Clark of Clewiston Is Reported in The 129 Pound Class

By James W. Stearns
Gainesville: Here is a bit of news that will interest those who plan to attend the big Homecoming celebration on Saturday, October 20. The "Baby Gators" will play Riverdale Military Academy on the Friday preceding the "varsity" game between Florida and Georgia Tech. This freshman game will give the alumni a chance to see for themselves what Florida will have in the way of a winning football team next year. This game will be the actual beginning of the Homecoming program and everyone is urged to come early and help the students in charge to make the year's Homecoming the biggest and best yet.

The boxing season has gotten under way with the world wide champs practicing hard and with a great deal of enthusiasm. We find the Glades section well represented by Ed Clark of Clewiston who is in the 129-pound class.

He is working hard to uphold the honor of the Glades but no reports standings have been received.

Early Thursday the entire military department of the University of Florida held its first parade of the school year. The University which will lead the parade was followed by the academy. The Greeks had movies on circular columns which they turned to show motion. Nudism was popular about the time St. Paul was writing his epistles to the Romans. Starting with the Greeks, the students have followed in the wake of the Greeks, although brought up the rear. The parade began on the driveway west of the football stadium continued down University Avenue where the football team was gathered to depart on their journey to Mississippi. This send off by the military department was called the biggest send off off campus ever received by the University of Florida.

Adrian Dane attended the regular bi-weekly meeting of the Leigh Chemical Society Thursday night.

Lake Coleman and Jim Bearden were the special guests of the Baby-Boomer Company at a banquet Tuesday night.

Adrian Dane, G. W. Byrd, Dan Padgett, Van York, Lake Coleman, were among those attending the Agricultural Club meeting.

After the Agricultural Club meeting Dan Padgett and Van York attended the meeting of the Collegiate chapter of the F. F. A.

LEGION NOTES

A Legion meeting was held Monday night at the Palmetto American Legion and Auxiliary. Numerous members were present.

W. C. Baker was present at this meeting and was elected to have only one meeting a month instead of two like we have had in the past, so our meeting night will be the fourth Monday of each month.

On the eighth Monday was present by Mrs. W. A. Baker of Canal Point. A turkey was raffled off and before the drawing Mr. Mead said, "If I draw the turkey we will have a feed here at the Legion hall." When he drew it and we are going to make him stick to his promise.

If there are any veterans here in this vicinity who do not belong to the Legion we would be pleased to have them come and join with us.

Slight Increase In Chevrolet Prices

NEW YORK, Oct. 28.—Slight increase in the announcement of its new 1938 passenger cars, now being displayed in 9,000 dealers' showrooms throughout the United States, Chevrolet made public its new prices. They represent an increase ranging from 5.4 per cent to 10.4 per cent in dollars, \$36 to \$54 per model.

The popular sedan in the Master Deluxe series shows an increase of \$36, from \$770 to \$796. The increase in the case of seven models is less than 10%, and the increase of the other five, between \$39 and \$54, the latter figure applying to the Master Sport Sedan.

These new prices now include the S. A. E. group of accessories, such as a cold air cleaner, a tire and tube, a radiator ornament, and in addition, on the De-Lux models, the right hand tail lamp, all of which were not heretofore included in the total price listed. The new sedans are an extra charge to the buyer.

The increase bears out the statement made by M. E. Coyle, general manager of the Chevrolet Division of General Motors, before the company's National Sales conven-

tion last month. Addressing the National Automobile Association, Mr. Coyle asserted that the forthcoming new models would be introduced at an increase in manufacturing costs.

Following are the new prices: Master Sedan, Sedan, \$770; Master 666; Coupe, \$648; Cabriolet, \$755; Town Sedan, \$859; Sport Sedan, \$750.

Master Deluxe Series: Sedan, \$796; Coupe, \$781; Town Sedan, \$747; Sport Sedan, \$817.

The prices quoted are the delivered prices at Plant, Miami, exclusive of state and local taxes.

Teacher Fund Will Get Its Full Quota

TALLAHASSEE, Oct. 28.—(AP)—The teacher's salary fund will get its full monthly allocation of \$1,250,000 shortly after November 1. State Comptroller J. M. Lee announced today after a couple of weeks' investigation of the financial affairs of the state that 400 teachers being passed to bring in the necessary cash.

Allocation will be certified to the State Auditor as soon as possible from his office, and the Motor Vehicle Expense Fund will be cleared out for approximately \$10,000 to get the total required. This surplus amounts savings in connection with the Motor Vehicle Department from its expense allocation of 6 percent of tax sales, the transfer of which probably will be authorized by Governor Cone and Comptroller Lee, as authorized by law.

A thirty-foot run-hook owned by the A. G. Tanner Fisheries at Moore Haven and loaded with 250 pounds of fish was recovered by divers off the reef about three miles out in the Lake of Little Bare Beach, Harman Hington, who was piloting the boat, had a narrow escape both from burning and drowning, but is in good condition now for the experience. The loss is estimated at better than \$1,000.

THE MORAL ISSUE IN THE DRINK PROBLEM

By S. B. JORDAN

Scriptures Rem. 13:12-14; 1 Cor.

10:11; Gal. 5:10-24.

Gospel Text: "Walk in the Spirit, and ye shall not fulfill the lusts of the flesh." Gal. 5:16.

We have many church members that claim that they do not drink or gamble, yet they are not moral persons.

It is not right for them to say that there is no harm in moderate drinking.

This question need not be debated at length for we need only to go to the Bible and see what it says.

The pastor speaks on the subject:

"THE DUTY OF DEACONS."

Rev. G. C. Williams, pastor.

CHURCH OVERSEERS, DEACONS."
